

Boone REMC Automatic Payment Plan

The Automatic Payment Plan (APP) is a service that draws funds from your checking, savings or credit card account to pay your monthly electric bill. Only Visa and MasterCard credit and debit cards are being accepted at this time. The payment transaction is made on a monthly basis. This service is available to any customer, including those enrolled in the budget billing plan. There is no charge for this service from Boone REMC.

To enroll, complete this form and return it to: Boone REMC, P.O. Box 563, Lebanon, IN 46052. If you would like to have your monthly payment withdrawn from your checking account, please include a check marked "void" with your application form.

When we receive the completed form and the appropriate documentation, we will put the information in your billing file. If you are using a checking or savings account for automatic withdrawal, we are required to do a pre-notification to your bank to double-check the information for accuracy. Once the information has been verified, you will be enrolled in the program. Credit card drafts do not require pre-notification. **This process may take up to two billing cycles to complete.** Once you are enrolled in the APP, you will receive a bill each month that states, "Bank draft, do not pay," or "Credit card payment, do not pay." Payments will be drawn one to three days prior to the due date of your electric bill.

You can cancel the APP at any time with written notice to Boone REMC. Electronic payments that cannot be processed for any reason are subject to the same returned item fees as regular payments.

If you have any questions about the APP, contact Boone REMC at (765) 482-2390, 800-897-7362, or send e-mail to billing@bremc.com.
