

Boone REMC

A Touchstone Energy® Cooperative 

AUTO PAY AUTHORIZATION FORM

BILLING CYCLE _____ (for office use only)

Auto Pay is a service that draws funds from your checking or savings account to pay your monthly electric bill. The payment transaction is made on a monthly basis. This service is available to any member, including those enrolled in the budget billing plan. There is no charge for this service from Boone REMC.

You can enroll in Auto Pay online using our free SmartHub website, or by completing this form. SmartHub Auto Pay enrollment is the preferred way, allowing you to update your payment data anytime, anywhere. SmartHub also provides email and text notifications such as planned power outages and outage restoration. Visit <https://www.bremc.com> to enroll online.

If you would like to have your monthly payment withdrawn from your checking account, please include a voided check with this form.

When we have received this completed form (and voided check if using checking account), we will put the information in your billing file. **Please note that the account being drafted must be in the Boone REMC account holder's name.** Once the information has been verified, you will be enrolled in the program. Once you are enrolled in Auto Pay, you will receive a bill each month that states, "Bank draft, do not pay." Electronic payments that cannot be processed for any reason are subject to the same return item fees as regular payments. If you choose to cancel Auto Pay, it can take up to three business days for the cancellation to take effect. If you have any questions about Auto Pay, contact Boone REMC at 800-897-7362.
